

The Standard of Service

THIS great railroad system is owned by 30,000 stockholders. It is operated by their chosen officers for the public service.

It gives employment to 150,000 workers, to whom it pays \$118,780,000 annually in wages. For supplies bought from the public it pays out in addition \$96,429,454. For taxes alone, \$14,293,000 and in interest and dividends on stocks, bonds and other securities held by the public it distributes \$43,784,000, making a total annual disbursement in which the public has a direct interest of \$273,286,454.

These railroad lines and their owners, the communities they reach, the millions they serve, and the workers they employ, all have the closest mutual interests. The more these mutual interests are understood and furthered, the greater the degree of service rendered. To be a faithful, efficient, punctual and dependable public servant, to make every branch of its service the best possible, is the ideal and standard of the

STOMACH MISERY QUICKLY VANISHES

Your money back if you want it is the way in which Read & Wager the popular druggists are selling Mi-o-na, the great dyspepsia remedy.

This is an unusual plan, and Mi-o-na has so much merit and is so almost invariably successful in relieving all forms of indigestion that they run but little risk in selling under a guarantee of this kind.

Do not be miserable or make your friends miserable with your dyspepsia. Mi-o-na will help you. If it doesn't, tell Read & Wager that you want your money back and they will cheerfully refund it.

Get your chance for the better will be seen from the first few doses of Mi-o-na and its continued use will soon start you on the road to perfect digestion and enjoyment of food.

Mi-o-na has been so uniformly successful that every box is sold under a positive guarantee to refund the money if it does not relieve. What fair proposition could be made?

Read & Wager give their personal guarantee of "money back if you want it" with every box of Mi-o-na that they sell. A guarantee like this speaks volumes for the merit of the remedy.

SOUTHERN DRUG MERCHANT MAKES UNUSUAL STATEMENT

Great Business Losses Due to Neglect

W. WITHERS MILLER
President of the Polk-Miller Drug Company, Richmond, Va., is authority for the following extraordinary statement:

"I estimate that the business men of this country could increase their efficiency fully ten per cent by taking an occasional laxative and not neglecting the bowels as most of them do."

He also said that if the Department of Commerce in Washington would present each business man in the country with a box of Rexall Ordinaries, it would be of great benefit to the national welfare. Rexall Ordinaries are prompt in action, pleasant to take and never gripe, can be used by men, women or children, and are just the thing for toning up sluggish livers.

We have the exclusive selling rights for this great laxative. Trial size, 10 cents.

The next teachers' examination will be held March 4th. Teachers expecting to take it should read rather carefully at least two of the Reading Circle books. The indications are that there will be a number of First Grade Elementary schools recognized in the county this year. Each of these will require a teacher with a three year certificate.

Owing to the great amount of sickness there is a constant call on the pupils of the County Normal to do the substitute teaching. At present Miss Herma Dowell is supplying in Swan Creek. The pupils of the Normal have been doing well directed and systematic observation in the various schools of the rural and the village districts and in the remainder of the year each will have thirty-six hours of practice teaching.

SHE WAS WILLING.
"Take him, I freely consent to his consent to his enlistment and recommended him to you as a good fighting man. However, if he serves his country like he serves his wife, God save this noble land of ours."

So wrote a Horseheads, N. Y. wife to Sergeant Frank X. Bleicher, in charge of the local recruiting station of the United States Marine Corps, in reply to his letter inquiring if she had objections to the enlistment of her spouse in the service of Uncle Sam's sea soldiers.

Sergeant Bleicher, upon receipt of the letter, rejected for undesirable the Horseheads applicant who sought to exchange martial woe for martial weal.

WOOD SALE.
Notice is hereby given that the Board of Education of Dover township, Fulton county, Ohio, will sell the wood jobs of the several schools to the lowest responsible bidder, at the Grange Hall on January 31, 1916, at 7:30 p. m. specifications as follows:

Wood to be first class hard body eighteen inches long and not less than three inches in diameter, no large chunks. Said wood to be delivered and ranked up by April 11, 1916. Said wood to be ranked in shed where we have sheds.

The Board reserves the right to reject any or all bids.

By order of the Board of Education, J. H. BAILEY, Clerk.

WAR UPON PAIN.
Pain is a visitor to every home and usually it comes unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful.

Mervin H. Soister, Berkeley, Cal. writes: "Last Saturday, after tramping around the Panama Exposition with wet feet, I came home with my neck so stiff that I couldn't turn my head. Sloan's Liniment freely and went to bed. To my surprise, next morning the stiffness had almost disappeared, four hours after the second application I was as good as new."

People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, the bowels and the liver with Olive Tablets. Dr. Edwards' Olive Tablets are the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. Dr. Edwards' Olive Tablets are "ever cured with a dark brown taste," but breathe a "dull, listless" "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil, you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result.

Take one or two tablets a day for a week. How much better you feel and look, the Olive Tablet Company, Columbus, O.
